INDEPENDENT AUDITOR'S REPORT

To the Member
Alvarez & Marsal Securities, LLC

We have audited the accompanying statement of financial condition of Alvarez & Marsal Securities, LLC as of December 31, 2010. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Alvarez & Marsal Securities, LLC as of December 31, 2010 in conformity with accounting principles generally accepted in the United States of America.

Revenue Recognition:

The Company performs services in connection with mergers and acquisitions, private financings and capital raising activities. ALVAREZ & MARSAL SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

Note 2 – Significant Accounting Policies (Continued):

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 – Related Party Transactions:

The Company shares office space, equipment and administrative expenses with its Parent pursuant to a service agreement. For the year ended December 31, 2010, the Company was charged \$ 1,260,793 related to this agreement. Such amount is included in other expenses.

Advances to and from the Parent are not interest bearing and are each shown as separate net amounts in operating activities on the statement of cash flows.

Note 4 – Concentrations:

The Company maintains all of its cash in financial institutions, which cash balances at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash.

During the year ended December 31, 2010 the Company provided services to four major customers comprising 15%, 13%, 13%, and 12% respectively, of total revenues.

Note 5 – Net Capital Requirements:

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of a minimum net capital, as defined, of the greater of \$5,000 or one-fifteenth of aggregate indebtedness. As of December 31, 2010, the Company had net capital of \$5,323,927, which exceeded its requirements by \$5,004,672. Additionally, the Company must maintain a ratio of aggregate indebtedness to net capital of 15:1 or less. As of December 31, 2010 this ratio was 0.90:1.

The Company is exempt from the provisions of Rule 15c3-3 of the SEC since the Company's activities are limited to those set forth in the conditions for exemption pursuant to subsection k(2)(i) of the Rule.

Note 6 – Subsequent Events:

For disclosure purposes in the financial statements, the Company has evaluated subsequent events through February 28, 2011, the date the financial statements were available to be issued.
